## *A Sex and Romance Addiction Therapy Group*

### Women's Sex and Love Addiction is Real

Many women thirst for connection, unable to find satisfaction in a wholesome relationship. They move from one lover or fantasy to another, ever seeking to fill the emptiness inside. Jesus met with just such a woman by a well in the desert. He told her, **"Everyone who drinks this water will be thirsty again, but whoever drinks the water I give them will never thirst."** John 4:13

**Oasis** is a therapy group for women whose sexual fantasies or behavior have become harmful to their personal, familial, or spiritual well-being. Come join us... Leave the desert of addiction, and gather with others who are learning to tap springs of living water within.
